

**COMPLETE TACTICAL
CONSULTANTS LLC**

CAPABILITY STATEMENT

ABOUT US

Complete Tactical Consultants is a leading provider of comprehensive tactical solutions for federal agencies. With a strong commitment to excellence and a highly experienced team of professionals, we offer a wide range of services to support the unique needs and requirements of our federal clients.

At **Complete Tactical Consultants**, we understand the importance of maintaining a high level of operational readiness and preparedness in the face of evolving threats. Our team is comprised of former military and law enforcement personnel with extensive experience in areas such as tactical training, threat assessment, intelligence analysis, security planning, and emergency response.

CORE COMPETENCIES

The T.A.P. Officer Training & Defensive Tactics Platform is designed for agencies and academies, and gives your DT Instructors and Officers access to all our online training content, lesson plans, curriculums, quizzes, tests, videos, all through our Online Learning Management System. The Instructors have access to the Instructor side, while the Officers have access to the student side. This is cutting edge, the latest technology, and the absolute best system on the market for officer training.

WHY CHOOSE US

- With a proven track record of success, Complete Tactical Consultants has established itself as a trusted partner of numerous federal agencies.
- Our team has supported various government organizations at the federal, state, and local levels, including the Department of Defense, Department of Homeland Security, and Department of Justice.
- Our commitment to excellence is evident in our adherence to strict standards of quality control and our continuous pursuit of professional development and training.
